comment. The report, in connection with other information from yien na and Kagran, indicates that only elements of the 13th Gds Mecz Div, including the division headquarters at 10 Tolbuchinstrasse, had been	25X1
transferred to the Doellersheim troop training grounds prior to 15 May 1950. It is still undetermined whether the elements of the division remaining in Vienna on 15 May, and in Kagran on 26 May 1950, are to stay at their posts or are to go to the troop training grounds.	25X1
